On completing The Great Froggo Challenge

The Great Froggo Challenge is a tribute to a young adult Explorer leader who sadly during lockdown decided to end his own life. His Explorer Unit The Quantum Potatoes decided to create a badge based on his love of frogs in his memory. The money from the sales of the badge will be donated to POPYRUS a suicide prevention charity for young people. The challenge involves various aspects of Frogs, Mindfulness and most importantly fun!

Ribit Ribit we think you're terrific !

**Don't forget it's good to talk and there's always a froggy ear ready to listen
we're always here for you!**
